Use the bottom of this page to list any formal training you have in dance, acting, or singing. Please also list highlights from your past performances; roles and shows. Attaching a resume is acceptable.

Please list any and all conflicts beginning May 30th through August 20th. Be specific and thorough. If you cannot be at a rehearsal until 6:45 on Thursdays, for example, please let us know. I am far more forgiving and willing with people who are honest about conflicts up front than we are with those who always have something "come up" at the last minute. Some conflicts will be able to be worked around, and so please be honest.
